

### **Testimonial for Likhaya Xanywa**

It is with great pleasure that I write this testimonial for Likhaya Xanywa, who has worked with me over the past 6 weeks during his vacation. Likhaya joined our team at Washirika 3 Oaks as part of our Business Development department, shadowing me as the Head of Business Development. His time was also spent on one of our sites, The Kenilworth, where he gained practical on site experience. He has worked 192 hours during this period.

Throughout his time with us, Likhaya has displayed exceptional qualities that are truly commendable. He has been consistently diligent and punctual, demonstrating a strong work ethic and a genuine eagerness to learn. Likhaya approached every task with enthusiasm and energy, tackling challenges head-on and consistently achieving excellent results.

During his tenure, Likhaya had the opportunity to visit various sites and projects, where he made a significant impact. His keen attention to detail and proactive approach were evident in his contributions, which were always thorough and thoughtful. Likhaya's ability to grasp complex concepts quickly and his willingness to take initiative were impressive and greatly valued by our team.

Beyond his technical skills, Likhaya also exhibited strong interpersonal skills and professionalism in his interactions with colleagues and clients alike. He adapted well to our team dynamics and contributed positively to our work environment.

In conclusion, Likhaya Xanywa has been a valuable addition to our team during his vacation work. I have no doubt that he has a bright future ahead of him and will continue to excel in his academic and professional pursuits. I highly recommend Likhaya for any future opportunities and am confident that he will make a positive impact wherever he goes.
